Measure RRR - LADWP Reform

In June, the Los Angeles City Council voted to place a measure on the November ballot to revamp the way the Los Angeles Department of Water and Power (LADWP) is governed through changes to the City Charter. Join us to learn about the potential changes and the pros and cons of those changes on LADWP governance and transparency. And help decide whether CCA will support this measure.

Special Guests: *Dr. Fred Pickle, Yes on RRR; Former Councilmember Nate Holden, No on RRR*

Measure A - L.A. County Parks Property Tax

The Board of Supervisors voted to put a measure on the countywide ballot that is designed to provide stable, local funding from an annual property tax for parks and open space throughout the county. The measure replaces two flat parcel taxes and would impose a 1.5-cent levy per square foot of building area – about \$22.50 a year for a 1,500-square-foot house or \$15,000 on a million square foot building – and bring in \$94.5 million a year. There is no expiration date for this tax. Join us to debate the merits of this tax and help decide whether CCA will support this measure.

Special Guests: *Bruce Saito, Yes on A; Peter Herzog, No on A*

Measure CC - LACCD Bond

The Los Angeles Community College District has placed a \$3.3 billion bond on the November ballot. If passed, the bond measure would raise funds to improve LACCD facilities by ensuring basic and essential repairs. All of the bond's expenditures will be subject to annual independent financial audits. Come discuss the need for the measure, its borrowing implications and what oversight will be in place.

Special Guest: *Ruben Gonzalez, Yes on CC*
